

Council for Emerging and New Statisticians

About CENS

Council for Emerging and New Statisticians (CENS) was formed in 2012 by ENAR's Regional Advisory Board (RAB) in 2012 to help ENAR better address the needs of all students and recent graduates. CENS is composed of 10 graduate students, post-doctoral fellows, or recent graduates, who are ENAR members from academia, government, or private industry.

With the help of the RAB Liaison, CENS members collaborate to:

- Bring student/recent graduate concerns to the attention of RAB and ENAR
- Work to help ENAR better serve all students/recent graduates
- Advise and help implement ideas to enhance the benefits of ENAR membership and to increase awareness of the benefits of ENAR membership to students
- Organize a CENS session at each ENAR Spring Meeting
- Assist in planning events that help advance students' and recent graduates' education and careers
- Contribute to the development of ENAR's social media presence

CENS Mission

CENS seeks to advocate for the needs and concerns of students and recent graduates in collaboration with ENAR's Regional Advisory Board. Through annual events at the ENAR Spring Meeting, CENS strives to promote the benefits of participating in the ENAR community, support the advancement of students and recent graduates, and facilitate stronger connections within the statistical community.

Join CENS

We will be recruiting new members March-April 2021! Each member is appointed to a 2-year term. Within CENS, three or four people are chosen to participate in the steering committee, which reports to the RAB chair. Members of the steering committee will serve an additional year on CENS. CENS members will meet in person yearly at the ENAR Spring Meeting and participate in conference calls throughout the year to plan events and address issues as they arise. If you are interested in joining CENS, please email enar.cens@gmail.com.

Upcoming Events

- **CENS Session at ENAR 2021:** Oh, The Places You Could Go: Surprising Careers in Statistics and Data Science!
Monday, March 15, 2021 from 3:45 PM – 5:30 PM
Description to come
- **ENAR Networking Mixer: Monday, March 15, 2021 from 5:30 PM - 6:30 PM (location TBD)**
- **ENAR Networking Lunch: Tuesday, March 16, 2021 from 12:30 PM - 1:30 PM at local restaurants.**
Participants meet at the CENS table in the Exhibition Hall at 12:15 PM before walking with their assigned group to a nearby restaurant for networking and lunch! If you would like to participate, please email CENS at enar.cens@gmail.com. Participants will pay for their own meal.

RAB Liaison: Emily Butler, GlaxoSmithKline
